WEALTHWISE EDUCATION: Where Wise Investors Are Created

Invest for Success Grow Wise. Grow Wealthy.

'Invest for Success' (IFS) is our signature training course. It improves knowledge, skill & confidence when analysing and investing in the stock market. We focus on healthy companies with passive income & capital growth. The program demystifies the markets and shows how to manage risk. Jam packed with key information, the course explains how to make your money work harder for you. You'll avoid the usual novice traps by utilising our method. You will understand the stock market & how take advantage of opportunities.

It's all about:

- making your money work harder for you
- gaining proficiency in analysing & investing in the stock market
- managing risk & increasing emotional control

Options for Success Leverage, Income, Protection

'Options for Success' (OFS) covers how to use Exchange Traded Options. Options create extra income, get leverage & protect your portfolio from downside risk. You'll learn how to make money whether the stock market is going up, down or sideways. Ideal for active investors, those managing their own superannuation fund (SMSF) & traders. This course provides essential knowledge, proven strategies & more importantly, how to apply them.

It's all about:

- leverage
- generating additional income
- protecting your shares from downside risk
